OSBORN BOTANICAL LABORATORY
YALE UNIVERSITY, NEW HAVEN, CONNECTICUT

Dear Jack: Remark shows we never rec'd
I would greatly appreciate a reprint of your paper W-169 - W-172.
Are you sure they were sent? Lost in transit?
We've been trying to distinguish C₁ - C₂
with Diesel's micra and got with very
published in slight, unconvincing quantitative diffs.
Thank you for your courtesy.
Have you checked these successfully, ~ if so
by what methods? R₂ arrived yet?
Sincerely yours,
Yours Ed
